3. Land Acknowledgement: The City of Berkeley recognizes that the community we live in was built on the territory of xučyun (Huchiun (Hooch-yoon)), the ancestral and unceded land of the Chochenyo (Cho-chen-yo)-speaking Ohlone (Oh-low-nee) people, the ancestors and descendants of the sovereign Verona Band of Alameda County. This land was and continues to be of great importance to all of the Ohlone Tribes and descendants of the Verona Band. As we begin our meeting tonight, we acknowledge and honor the original inhabitants of Berkeley, the documented 5,000-year history of a vibrant community at the West Berkeley Shellmound, and the Ohlone people who continue to reside in the East Bay. We recognize that Berkeley's residents have and continue to benefit from the use and occupation of this uncended stolen land since the City of Berkeley's incorporation in 1878. As stewards of the laws regulating the City of Berkeley, it is not only vital that we recognize the history of this land, but also recognize that the Ohlone people are present members of Berkeley and other East Bay communities today. The City of Berkeley will continue to build relationships with the Lisjan Tribe and to create meaningful actions that uphold the intention of this land acknowledgement.

Fair Campaign Practices Commission

Date: January 8, 2026
To: Fair Campaign Practices Commission
From: Sam Harvey, Commission Secretary
Subject: Revisions to the Berkeley Election Reform Act (BMC Ch. 2.12) and
FCPC Regulations

The Commission has undertaken a review of the Berkeley Election Reform Act ("BERA") (BMC Ch. 2.12) and the Commission's Regulations for possible revisions.

At its December 18, 2025 meeting, the Commission reviewed draft proposed amendments to BERA and provided feedback to the ad hoc committee created by the Commission to develop those amendments. That ad hoc committee is meeting again on Friday, January 9, 2026. Staff anticipate that the ad hoc committee will propose additional revisions to the draft amendments which will be made available as a supplemental prior to the Commission's January 15, 2026 meeting.

Fair Campaign Practices Commission

Date: November 13, 2025
 To: Fair Campaign Practices Commission
 From: Sam Harvey, Commission Secretary
 Subject: Revisions to the Berkeley Election Reform Act (BMC Ch. 2.12) and FCPC Regulations

The Commission plans to review the Berkeley Election Reform Act (BMC Ch. 2.12) and the Commission's Regulations for possible revisions. At the Commission's July 17, 2025 meeting, the Chair requested commissioners provide any suggested revisions to Commission staff to compile for discussion at the Commission's September meeting.

Commission staff received the following suggested BERA revision topic from Commissioner Soichet:

1. Update and clarify the rules around disclosures on online video ads and text messages. Staff anticipate that this revision could include amendments to BMC sections 2.12.230 and 2.12.335.

Staff also recommend the Commission consider the following revisions, which staff have compiled based upon questions and issues raised during the 2024 election cycle.

2. Clarify the timeframe by which a candidate participating in the City's public financing program must return unspent funds, and the time after which the City Clerk must report to the Commission any candidate's failure to return such funds. (BMC § 2.12.505.H.)
3. Provide for a process by which a candidate participating in the public financing program may reuse campaign materials from a prior election (e.g. campaign signs) provided the value is deducted from any disbursement of public matching funds. (Possibly a revision to BMC § 2.12.530.)
4. Incorporate more clearly into BERA the "one bank account rule" which requires that campaign expenditures must be made from a single campaign bank account. This is a requirement under state law, but is not expressly outlined in BERA. Incorporating such a change into BERA would provide clear authority for the Commission to enforce the rule. (Possibly a revision to BMC § 2.12.250.A.)
5. Identify any other amendments to provide clarity or administrative efficiency.

At its September 2025 meeting, the Commission empaneled a subcommittee to review BERA and FCPC Regulations and prepare possible revisions. Working with Commission staff, the subcommittee has developed the attached discussion draft, which incorporates a number of the above revisions.

Additional Commission discussion and direction is needed if the Commission wishes to amend any provision of BERA pertaining to disclosures on campaign advertisements. Additionally, the subcommittee discussed whether the proposed amendment pertaining to a publicly financed candidate's reuse of old campaign materials should also address the scenario in which a candidate who was publicly financed in a previous election wishes to reuse campaign materials from that election in a new election in which the candidate is not publicly financed.

Staff recommend the Commission review the attached discussion draft and provide any feedback for proposed amendments. Staff can then work with the subcommittee to develop a proposal to submit to the Commission for approval and submission to the City Council.

Article 1. General Provisions

2.12.005 Title for citation.

This chapter shall be known and may be cited as the "Berkeley Election Reform Act of 1974."
(Ord. 4700-NS § 100, 1974)

2.12.010 Findings.

The people find and declare as follows:

- A. Local government should serve the needs and respond to the wishes of all citizens equally, without regard to their wealth.
- B. Public officials, whether elected or appointed, should perform their duties in an impartial manner, free from bias caused by their own financial interests or the financial interests of persons who have supported them.
- C. Costs of conducting election campaigns have increased greatly in recent years, and candidates have been forced to finance their campaigns by seeking large contributions from persons and organizations who thereby gain disproportionate influence over governmental decisions.
- D. The influence of large campaign contributors is increased because existing laws for disclosure of campaign receipts and expenditures have proved to be inadequate.
- E. Previous laws regulating campaign practices have suffered from inadequate enforcement. (Ord. 4700-NS § 101, 1974)

2.12.015 Purpose.

The people have enacted the ordinance codified in this chapter to accomplish the following purposes:

- A. Receipts and expenditures in municipal election campaigns should be fully and truthfully disclosed in order that the voters may be fully informed and improper practices may be inhibited.
- B. The amounts that may be expended in municipal elections should be listed in order that the importance of money in such elections may be reduced.
- C. Adequate enforcement mechanisms should be provided to public officials and private citizens in order that this chapter will be vigorously enforced. (Ord. 4700-NS § 102, 1974)

2.12.020 Liberal construction.

This chapter should be liberally construed to accomplish its purposes. (Ord. 4700-NS § 103, 1974)

2.12.025 Reports and statements--Signature and verification requirements.

Reports and statements filed under this chapter shall be signed under penalty of perjury and verified by the filer. The verification shall state that the filer has used all reasonable diligence in its preparation, and that to the best of his or her knowledge it is true and complete. A report or statement filed by a committee shall be signed and verified by the treasurer, and a report or statement filed by any other organization shall be signed and verified by a responsible officer of the organization or by an attorney or a certified public accountant. Every person who signs or verifies any report or statement required to be filed under this chapter which contains material which he or she knows to be false is guilty of perjury. For a report or statement submitted as an electronic filing pursuant to Section [2.12.032](#), a secure electronic signature shall meet the requirements of this section. (Ord. 7309-NS § 5, 2013; Ord. 4700-NS § 104, 1974)

2.12.030 Reports and statements--Filed where.

- B. Once an elected officer, candidate, committee, or other person is required to submit reports or statements as an electronic filing, that elected officer, candidate, committee, or other person shall continue to use electronic filing until the committee has officially terminated or the elected officer, candidate or other person has no further filing obligations.
- C. An elected officer, candidate, committee, or other person that must file pursuant to this Chapter, but is not a Participating Candidate or such a candidate's campaign committee as set forth in subsection A.1 and has not met the \$1,000 threshold in subsection A.2, may submit required reports or statements as an electronic filing or in paper format.
- D. In any instance in which the original report, statement, or other document is required to be filed with the Secretary of State and a copy of that report, statement, or other document is required to be filed with the City of Berkeley, the copy may be submitted as an electronic filing. (Ord. 7564-NS § 2, 2017; Ord. 7309-NS § 2, 2013)

(Ord. 4700-NS § 110, 1974)

Public financing matching funds disbursement processRecommended action:

- Recommend to the city clerk's office that the official training for campaign treasurers strongly discourages duplicate public finance matching requests. We could indicate that processing time may be longer if this happens, and that submitting duplicate requests knowingly or repeatedly could constitute a violation of BERA and result in penalties. See the following excerpts:

Section 2.12.505.C requires that applications for Fair Elections funds shall be accompanied by a signed statement from the candidate indicating that all information on the qualified contribution receipts is complete and accurate to the best of the candidate's knowledge.

Section 2.12.025 states that the verification shall state that the filer has used all reasonable diligence in its preparation, and that to the best of his or her knowledge it is true and complete.

Section 2.12.550 states that "If a participating candidate knowingly or willfully accepts or spends Fair Elections funding in violation of this Act, then the candidate shall repay to the Fair Elections Fund an amount equal to twice the value of Fair Elections funding unlawfully accepted or spent."

Alternative actions:

- Request the city clerk to examine whether changes to NetFile might be possible to prevent duplicate submissions, i.e. alert the user about a potential duplicate
- Request the city clerk to conduct more frequent audits for duplicates

Lobbyist Registration Forms and ProceduresRecommended action:

ITEM NO.10

Request the city clerk's office to include an additional data entry cell in NetFile for lobbyist registration that contains the Company of the lobbyist, so that these can be searched easily on NetFile's spreadsheet format rather than downloading many PDF's, or doing any kind of other data manipulation.

Lobbyist Filer	Employer
Alexander Taplin	Riaz Capital

Notice of the filing requirement for the reporting period 04/01/25 to 06/30/2025 was sent to quarterly lobbyist filers by the City Clerk Department on July 21, 2025, July 24, 2025. Past due notices were sent on August 14, 2025.

Complaint Regarding CPRA Violations – Ongoing Harassment, Misuse of City Systems, and Justification for a Second Claim

Hello,

I am submitting this complaint regarding repeated violations of the California Public Records Act (Cal. Gov. Code § 6250 et seq.) and the City of Berkeley's obligations to respond to records requests. This complaint concerns multiple CPRA requests, emails, and claims I have submitted to City staff, the City Attorney, HR, City Council, City Manager, City Auditor, and City Clerk, all relating to ongoing harassment and misuse of my personal information.

- On June 30, 2025, I filed a tort claim against the City of Berkeley, which was denied by default. The claim arose from a terrifying incident in which my personal information was fraudulently submitted to a suicide prevention website. This submission was traced back to a City of Berkeley IP address.
- After filing my claim and receiving no substantive response from the city, I received a phone call that appeared to originate from a City number. The call rang twice and disconnected with no voicemail or explanation. This incident, following the initial misuse of my information, has significantly increased my fear and concern for the safety of myself and my children.
- TPX (the City's phone service provider, or a related entity) confirmed that the phone number involved belongs to the City of Berkeley, registered at 2180 Milvia Street. 510-981-6995
- Due to these incidents, I have repeatedly instructed the city that any communications with me should be in writing only, as I no longer feel safe receiving calls. Despite my efforts, my concerns continue to go unaddressed.

- The continuing harm after the denial of my initial claim justifies the filing of a second claim to address new and ongoing harassment and events

CPRA Concerns:

- I have submitted multiple CPRA requests seeking records related to these incidents, including device and network logs, IP address traces, and internal communications from City systems. Despite these requests, I have not received full or timely responses. All requests have been subject to repeated extensions, leaving me without clarity about whether my information continues to be misused.
- Emails expressing my concerns about personal safety, harassment, and unauthorized use of my information have been sent to HR, the City Attorney, Mayor, City Council members, City Manager, City Auditor, and City Clerk, and are now included in this complaint to the Open Government Commission. No substantive responses have been received.

Specific Concerns:

- The city has failed to provide timely, complete, and responsive records regarding my CPRA requests, despite its statutory obligations.
- Repeated extensions and partial responses have left me uncertain whether my personal information continues to be misused.
- Prior CPRA requests were submitted in good faith and cover serious matters, including the fraudulent submission of my information to a suicide prevention website traced back to a City IP address and subsequent unexplained contact from a city number.
- The continuation of harassment and unauthorized activity after the denial of my first claim demonstrates the urgent need for proper oversight and accountability.

Request:

1. I respectfully request that the Open Government Commission investigate these repeated CPRA violations and compel the City of Berkeley to provide full and complete records responsive to my prior requests.

2. I request that the Commission ensure all emails, communications, and internal responses relating to my requests are formally acknowledged and included in the official record.
3. I request that the Commission take note of the continuing harm and ongoing risk to my family, including the circumstances that justify the filing of a second claim due to delayed or incomplete compliance.
4. If any responsive records do not exist, I request that the city explicitly state this in writing for each request.

Public Meeting and Attendance:

Complaints must be submitted to the Secretary of the Commission no less than 14 days prior to the meeting at which they will be considered. The Open Government Commission meets on the third Thursday of the month. Should this complaint be placed on a meeting agenda, I respectfully request that representatives from the City Attorney's Office, Human Resources Department, and City Manager's Office be present to respond to questions regarding the City's handling of my CPRA requests and related communications. Their direct participation would ensure transparency and accountability in the discussion of these serious concerns.

While I understand that the Commission may decide whether or not a public meeting is necessary, I believe this matter is significant enough to warrant one. However, based on the City's prior handling of this issue, I am also aware that a meeting may not be scheduled in an attempt to avoid further public scrutiny.

I appreciate your attention to this matter and request that the Commission treat it as urgent given the ongoing impact on my safety and the repeated lack of compliance by City staff.
