12 **2. LAND ACKNOWLEDGEMENT**

13 The City of Berkeley recognizes that the community we live in was built on the territory of
14 xučyun (Huchiun (Hooch-yoon)), the ancestral and unceded land of the Chochenyo (Cho-
15 chen-yo)-speaking Ohlone (Oh-low-nee) people, the ancestors and descendants of the
16 sovereign Verona Band of Alameda County. This land was and continues to be of great
17 importance to all of the Ohlone Tribes and descendants of the Verona Band. As we begin
18 our meeting tonight, we acknowledge and honor the original inhabitants of Berkeley, the
19 documented 5,000-year history of a vibrant community at the West Berkeley Shellmound,
20 and the Ohlone people who continue to reside in the East Bay. We recognize that Berkeley's
21 residents have and continue to benefit from the use and occupation of this unceded stolen
22 land since the City of Berkeley's incorporation in 1878. As stewards of the laws regulating
23 the City of Berkeley, it is not only vital that we recognize the history of this land, but also
24 recognize that the Ohlone people are present members of Berkeley and other East Bay
25 communities today. The City of Berkeley will continue to build relationships with the Lisjan
26 Tribe and to create meaningful actions that uphold the intention of this land
